PROFILE

Hello, my name is **Abdul Hadi Khan**, and I'm a 17-year-old web developer from **Pakistan**. Despite my age, I have already embarked on an exciting journey in the world of web development, worked on a variety of projects that showcase my skills and creativity. My passion for coding and technology drives me to continuously learn and innovate, allowing me to build functional and visually appealing websites. With a strong foundation in web development and a commitment to personal growth, I am eager to take on new challenges and contribute to the dynamic field of technology.

WORK EXPERIENCE

WEB DEVELOPER

LAL COMPUTER INSTITUTE   2023 - PRESENT

- Working as a web developer at Lal Computer Institute allows you some flexibility in your work hours. You can often adjust your schedule to fit your personal needs while meeting project deadlines.
- At Lal Computer Institute, you might work on a range of projects, from developing educational tools to maintaining the institute's website. This variety helps keep your work engaging and allows you to apply your skills in different ways.
- You have the ability to manage your workload effectively. Whether you prefer working on multiple small projects or focusing on a few larger ones, you can adjust your tasks based on your preferences and capacity.
- Working on diverse projects at Lal Computer Institute provides opportunities to enhance your technical skills and stay updated with industry trends, contributing to your professional growth.
- Your role will involve not only coding but also handling project management, client communications, and troubleshooting, helping you develop a well-rounded skill set.
- Working at Lal Computer Institute allows you to build a strong professional reputation within the organization and the local community, enhancing your career prospects.

WEB DEVELOPER

FREELANCER   2023 - PRESENT

- Freelancing allows you to set your own schedule. You can work at times that suit you best, whether that's early mornings, late nights, or weekends.
- As a freelancer, you have the opportunity to work on a diverse range of projects, from small personal websites to large-scale corporate applications. This variety can help keep your work interesting and broaden your skills.
- Many freelancing positions allow you to work from home or any location you choose, eliminating the need for commuting and giving you more time for personal activities.
- Many freelancing positions allow you to work from home or any location you choose, eliminating the need for commuting and giving you more time for personal activities.
- As a freelancer, you have the chance to build and promote your own personal brand. Your reputation and portfolio become critical assets for attracting new clients and projects.
- Freelancing can also come with challenges such as inconsistent income, the need for self-discipline, and managing all aspects of your business. However, these challenges can be mitigated with good planning and organization.
